IDEA Consolidated (IDEA Part B and IDEA Preschool):

Note: Unlike the ESEA/NCLB Consolidated application where a system's administrative agent submits a single application for the system, all LEA's must complete and submit an IDEA Consolidated application. System, consortium, and cooperative members complete a simplified application, which is submitted to the system/consortium/cooperative administrative agent (AA) for approval. The AA approves the member application(s) and completes a more comprehensive application for submittal to the OPI. **The AA cannot submit until all member applications are approved.**
